moment they heard footsteps and seemed to be startled. As the footsteps approached nearer the men turned to walk away.

The approaching footsteps were those of Private Night-Watchman Levy, engaged by the storekeepers in that neighbothoed. He hurried towards the men and asked what they wanted. Seeing that they were under suspicion, the men did not walk to exchange a word, but ran down to Seventy-thrid street and turned towards Lexington avenue, followed by Levy, shouting at the top of his voice.

Quinn, who had only waited for them to break into the jewiry store before appearing on the scene, turned into Seventy-fourth street towards Lexigion avenue, at the same time blowing his whistle for help. On turning into the avenue, he saw two of the men search in a wagon and the third in the act of getting on. In a moment he had hold of the horse's head by the bil, and, point time his revolver at them, increatened to shoot the first one who made a more were then driven to the police-station in the wagon by which they intended to make their escape. The wagon believed to the Naissau News Company. The prisoners claimed that two barefooted boys had given them the wagon at Fility-Seventh street and that two barefooted boys had given them the wagon at Fility-Seventh street and Third avenue, a half and hour before.

This was contradicted by Policeman Hoar, of the East Seventy-first street squad. He told Policeman Quinn that he saw the three men coming up the avenue in the wagon fully an hour before.

This was contradicted by Policeman Hoar, of the East Seventy-first street squad. He told Policeman Quinn that he horse and wagon from Newspaper Row this morning, with the intention of using it to escape after they had committed the burglary.
